

INTERNATIONAL CONFERENCE THE FUTURE OF ASIAN MARKETS AND EXCHANGES

**Jointly organized by the Financial Services Agency, Japan, and
Japan Exchange Group, Inc.**

*November 26, 2013, 1:00-5:20 pm
Auditorium, Third Floor, Central Common Government Office, No.7, East Wing*

Concept

In tandem with the growing presence of the Asian region in the global economy, Asian exchanges are enlarging their footprint in the global financial markets, and their various new initiatives to strengthen competitiveness and support economic growth have drawn widespread attention.

With this background, this conference will focus on the premier Asian exchanges and highlight the latest developments, current strategies, and challenges ahead and also explore the roles of Asian exchanges toward contributing to sustainable economic growth in the region.

The conference will bring together a selected group of senior representatives from public and private entities involved in the international financial market to discuss the future of Asian exchanges.
