

Table with 10 columns: No, 使用業種, 決算期, 説明, ファイル名, and 15 classification indicators. The table lists 175 entries of accounting treatments categorized by industry (e.g., 1-175 商工業共通) and transaction type (e.g., 年度連結, 半期連結, 四半期連結). Each entry includes a detailed description of the accounting treatment and its corresponding file name. The classification indicators are represented by dots (●) or dashes (—) in the rightmost columns.
