### Investigation on submission of large share-holdings reports

Today, around 4:12pm, large share-holdings reports on the issuers listed below were submitted to the Kanto Local Finance Bureau.

However, since the size of transactions according to the reports amounts to about 20 trillion yen (about 190 billion US dollars) in total, which is an extraordinary transaction size, the Financial Services Agency has started investigation immediately, and will rigorously take action, including a correction order, if the reports are found to be materially misstated.
