

Dear valued customers

–COVID-19 safety precautions and considerations –

As a bank, we will work to provide essential banking to support our customers' everyday life and business through these challenging times.

As we rise to meet these challenges, the health and safety of our customers remain our top priority. With that in mind, we have implemented measures in order to avoid the "Three C's"; closed spaces, crowded places and close-contact settings.

We also would like to kindly ask our customers to consider the below actions in order to minimize the spread of the COVID-19.

01 When visiting a branch

Social Distancing

We are limiting the number of customers permitted in our branch at one time so you may experience longer than normal wait times.

Masks and temperature checks

Please consult your bank prior to your visit for any urgent services you may need to perform when feeling sick. And even fully vaccinated people should continue to wear mask and other infection prevention measures.

02 Other banking options

- Please refrain from visiting a branch on dates that are expected to be crowded.
- Please consider using other channels available to you, such as online & ATM services and call centers.
