

Distribution of Borrower Classifications

End-March, 2004			End-September, 2003		
Classification Category	Number of Debtors	Credit (in trillion yen)	Classification Category	Number of Debtors	Credit (in trillion yen)
Normal	11	0.8	Normal	7	0.6
Need Attention	57	3.8	Need Attention	53	4.1
Need Special Attention	34	3.5	Need Special Attention	56	4.6
In Danger of Bankruptcy, or Below	29	2.3	In Danger of Bankruptcy, or Below	17	1.2
Taken off the B/S	2	0.1			
Total	133 (100)	10.5 (8.7)	Total	133 (100)	10.5 (8.7)

- (note) 1. The number of borrowers inspected in the follow-up of the special inspections for the interim period ending September 2003 was originally 161 (with total credit amounting to 13.1 trillion yen). This time, the number of inspected borrowers is 133, consisting of newly selected 10 in addition to previously inspected 123 borrowers (ones with little need of further check were deducted from the original 161 borrowers).
2. Figures for the four industries (construction, real estate, wholesale and retail, and other financial services) are indicated in brackets.
