(1) "Initial Price" is the share price at the commencement of each violation. "Highest Price" is the highest share price, and "Lowest Price" is the lowest share price, during a one-month period following the termination of each violation.

(2) Under the column "Note", "A" denotes the case where the violator owned the securities at the commencement of the violation; "B" denotes the case where the amount of the securities purchased exceeded the amount of the securities sold pertaining to the violation; and "C" denotes the case where the amount of the securities sold exceeded the amount of the securities purchased pertaining to the violation.

(3) The highlighted portion indicates calculation of values as to the amount pertaining to the matching volume of sale and purchase.

(4) In calculating the value for the amount exceeding the matching volume of sale and purchase, if $(X - Y) < 0$, the solution has been replaced with 0.
